14th December 2021

Dear Parents,

In the interests of everyone within the Drumnamoe School Community, the school is going to move to Remote Learning from Monday 20th December. There will be activities, stories etc. posted on Homeroom for the children to enjoy on Monday, Tuesday and Wednesday of next week. The decision has been made due to the rising numbers of Covid within our school community and beyond, and to ensure that we all get to enjoy a happy family Christmas with our loved ones. The **last day of school will therefore be Friday 17th December**, when we will have a Christmas Party for the children. Thank you so much for all the support you have shown so far this year. The children are doing so well and have made the first term fly in. How have we been here for four months already???

The Christmas production will be posted on our Website on Thursday/ Friday. We hope that you will enjoy it , as the children have been working so hard for the past few weeks .

I would like to take this opportunity to wish you and your family the very best for Christmas and the New Year. Let's hope that 2022 brings us all some sort of normality.
We look forward to welcoming you all back on **6th January 2022** .

Take care and God Bless.

Fiona Mc Donald and all the staff of Drumnamoe.

PS Thank you so much for your generosity for PIPS, which raised a tremendous £200.00, and for Trocaire, which raised a fantastic £242.00. We will select appropriate Trocaire gifts very soon and let you know what we have purchased . We are so grateful to you all to be able to help these two amazing charities .
